

Eight-Year Scope & Bible Story Sequence

The *Growing in Christ* Scope and Sequence was designed with three guiding principles:

- ① To teach the Scriptures as they reveal God's plan of salvation
- ② To link Sunday School to the worship life of the church
- ③ To unite families in the study of God's Word

A top priority was to present God's plan of salvation as it was revealed in the lives of God's people throughout the Scriptures using as many Bible stories as possible. Equally important was the desire to match the lessons to the Gospel readings in the three year lectionary.

In the fall quarter of each year, students will study chronological sections of the Old Testament. By the end of the fall quarter in the fourth year of *Growing in Christ* the students will have studied all the major stories and texts of the Old Testament.

In the Winter and Spring Quarters, the church enters the festival time of the church year and so the Sunday School lessons follow the appointed Gospel readings beginning in the Advent Season and following through Easter Sunday each year. These texts offer a nearly chronological presentation of the Gospels, really teaching about the life, death and resurrection of Jesus. The lessons after Easter each year will cover chronological sections of the book of Acts, covering all of it by the end of the third year of *Growing in Christ*.

Growing in Christ at every age level from Early Childhood through the corresponding Adult Bible Studies will study the same Bible stories each Sunday. This is to enable a family to discuss what they have learned about their Lord as they go home in the car or around the dinner table. As children grow up in the *Growing in Christ* Sunday School they will come to recognize the Bible stories and at each age learn discover the depth and riches of God's Word in each story.
